DRAFT V0.2

# **Hybrid Workspace** Q&A for Managers

Some Challenges and Ideas for Company Management

File:Spaceonmove/Internet/Doc\_mise\_dispo/2023.08.05\_WP\_Q&A\_V0.2\_CHA\_05.08.Date:05.08.2023Review:---

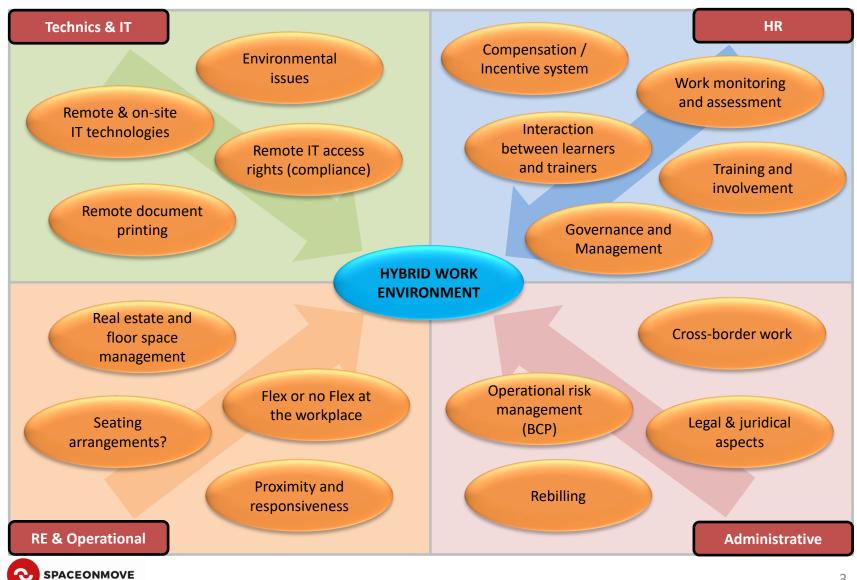

#### 1. Hybrid's main fears ...

Some objective fears, some not...

## 2. A (super)integrated approach

## 3. Asking the right questions

S-Seenverg	What's your appetite for change?	<ul> <li>Opportunity and the will to change.</li> <li>Let's wait and see</li> <li>Above all, go back to the way things were.</li> </ul>
	What should we change?	<ul> <li>Our business model.</li> <li>Technique &amp; Technology.</li> <li>Financial aspects.</li> <li>Operational, flow.</li> </ul>
	Which model do we want?	<ul> <li>Traditional face-to-face.</li> <li>Hybrid, and what form of hybrid?</li> <li>Telecommuting only.</li> </ul>
	What kind of governance should we adopt?	<ul> <li>Delegation of responsibilities.</li> <li>New business model.</li> <li>To trust or not to trust</li> </ul>

### 4. Challenges

NEXT EXIT	For which generation?	<ul> <li>Anticipate generational changes to retain talent while maintaining cohesion with older staff.</li> </ul>
CHALLENGES	Digitalization and remote driving	<ul> <li>Everyone talks about digitalization, but few have mastered it.</li> <li>Remote management requires excellent knowledge of teams and activities.</li> </ul>
	Governance	<ul> <li>It's a mistake to work remotely while retaining "power" on site.</li> <li>Knowing how to delegate while controlling is an art!</li> </ul>
	Trust and communication	<ul> <li>Learning to / Knowing how to trust even without visibility.</li> <li>Communicate and maintain links with all team members.</li> </ul>

#### 5. Summary & Conclusion
